

## Nursery 'Dinosaurs' Homework Suggestions for Spring 1

Please understand that these are suggestions for you to do with your child if you wish, we will welcome any homework that comes into school but it is not compulsory.

### Dinosaur Spotting

Take a blanket outside and watch the clouds on a cloudy day. See if you can spot any clouds that look like dinosaurs. Do they have long tails? You could ask a friend or family member to play with you. Who can spot the most?

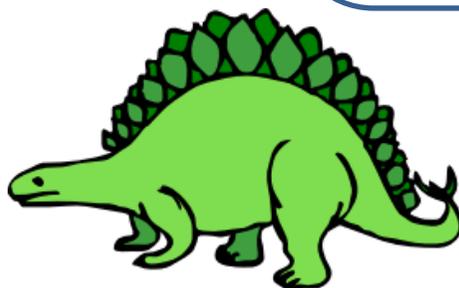

### Research

Find out more about dinosaurs. You could go to the library and look through different books about dinosaurs or, with a grown up, use the internet to search for information. Let us know what you find out.

### Messy

Create a sculpture of a dinosaur. Make your own playdough. Find a recipe to make your own dough at this website- [www.diynatural.com/homemade-playdough](http://www.diynatural.com/homemade-playdough).

### Initial Sounds

Can you think of some words that start with the sound 'd'. Try to write a list of six.

### Creative

Create your own dinosaur. Draw a picture then write its name underneath. You could ask a grown up to help you write some words to describe your dinosaur. Is it scary or friendly? Is it large, long or scaly?
